

Editor: Ahmad Ibrahim

Volume 29 Number 5

Section I

**The Impact of Collaboration between Academia and Industry
on Engineering Education**

**Part 1: Main types of collaboration, Lessons learned,
Good practices, Assessment methods**

Guest Editor

**Andrés Díaz Lantada, Mechanical Engineering Department,
UPM Innovative Teaching Group on Machine Development,
Universidad Politécnica de Madrid, Spain**

Section II

**Contributions in: Blended Learning, Cooperative Learning,
Innovation, Academic writing, Safety, Wind Energy**
