

## **Open Access Policy**

Applicable from Volume 35 to 40

The International Journal of Engineering Education is making available papers on open access that meet the following criteria;

1. Page Charges have been received within 6 months of invoice.
2. The payment is received from a university/institution with a valid subscription in the year of publication and is in good standing in regards to payments.
3. The paper will remain on open access as long as criteria 1 and 2 are fulfilled.

The policy on open access may be subject to change.
