

**CALL FOR PAPERS**

**SPECIAL ISSUE ON**

**INNOVATION IN APPLIED BIOSCIENCE AND  
BIOENGINEERING EDUCATION**

**Guest Editors**

**Faiez Alani and Carlos Filipe, McMaster University, Hamilton,  
Ontario, Canada**

Contributions are invited for a special issue of the International Journal of Engineering Education (IJEE) on Innovation in Applied Bioscience and Bioengineering Education. Submissions are solicited for manuscripts presenting various aspects and current trends related to Applied Bioscience and Bioengineering education. Data and analysis not only of technological aspects but also of the impact on teaching and learning are required to lead to clear discussions and supported conclusions. Also, each submission is expected to include a critical literature survey pertinent to presentation topic in order to make clear to the international reader the innovative aspects and the new information.

**Topics include, but not limited to:**

- Biochemical Engineering
- Biotechnology
- Biomedical Engineering
- Bioinformatics
- Biomechanics
- Computational Modeling and Simulation of Biological systems
- Biological Engineering
- Biomanufacturing and 3D Bioprinting
- Tissue Engineering

**Submissions are to be sent by e-mail in MSWord and PDF to:  
Dr. Faiez Alani, [alanif@mcmaster.ca](mailto:alanif@mcmaster.ca)**

**Important Deadlines**

Extended abstract (about 2 pages)	April 10, 2019
Notification of reviewers' feedback	May 10, 2019
Submission of manuscripts	July 1, 2019
Notification of reviewers' feedback	September 20, 2019
Submission of final manuscripts	December 20, 2019
