

The International Journal of  
**ENGINEERING  
EDUCATION**

**CALL FOR PAPERS**

**SPECIAL ISSUE ON**

**INNOVATION IN ENGINEERING PRACTICE AND TECHNOLOGY EDUCATION**

**Guest Editors**

**Dr. Faiez Alani, Associate Professor, McMaster University, Canada**

**Dr. Mo Elbestawi, Professor, McMaster University, Canada**

Contributions are invited for a special issue of the International Journal of Engineering Education (IJEE) on Innovation in Engineering Practice and Technology Education.

Submissions are solicited for manuscripts presenting various aspects and current trends related to engineering practice and technology education. Data and analysis not only of technological aspects but also of the impact on teaching and learning are required to lead to clear discussions and supported conclusions. Also, each submission is expected to include a critical literature survey pertinent to presentation topic in order to make clear to the international reader the innovative aspects and the new information.

Topics may be related, but not limited, to:

- Automation and Robotics
- Automotive Technology
- Advanced Manufacturing
- Bioengineering and Biotechnology
- Biomedical and Biochemical Engineering
- Computational Modeling and Simulation
- Engineering Design
- Engineering Management
- Industry 4.0
